

Workshop Number 6

Tania Bezzina

Friday and Saturday

Language: English

Using I.C.T as a Tool for Writing

Workshop Description

This workshop aims to look at some ways in which students can use the computer as a tool for writing activities, with an emphasis on building character and settings and using the writing process. We will look at how students can plan, type and edit their work using the computer. The activities mentioned are activities that have been carried out with children throughout the year.
